**BEAUTY THAT TRANSFORMS
A HOUSE INTO A HOME.**

Design your home with your kids—and your grandkids—in mind

Great white winters, stormy evenings, and stray hockey balls on warm nights when the neighbors come over. Those are just a few of the things your home may need to withstand. That's why Maibec CanExel prefinished siding is designed to be exceptionally durable while maintaining its authentic beauty. We believe that a home built to last requires siding that's built with integrity. When you see us on a home, you can tell it's CanExel.

- Engineered in Canada to perform in Canada and abroad
- Made with premium quality Axalta Coating System® Paints
- Subjected to outdoor testing in a variety of Canadian climates
- It's no wonder that builders and homeowners have trusted CanExel® prefinished siding to improve their homes for over 40 years
